

Armed and Ready for Battle!

Presented By
Shirley McDonald
Web Communications Manager, IPAC Canada

Basic Principles of IPAC

- Chain of Transmission
- Routine Practices
- Additional Precautions
- PPE...hand hygiene...AROs...construction...
- Outbreaks and emergencies

...but what if it doesn't fit?

Beyond the Basics

What about...

- ...the unknown?
- ...the irregular?
- ...the unexpected?

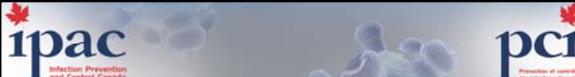

Additional IPAC Resources: The Top Five

- 1. The IPAC Canada Website**
 - www.ipac-canada.org
 - Links to Evidence-based Guidelines
 - Online Novice ICP Courses
 - Emerging Infections (e.g. MERS-CoV)

The screenshot shows the IPAC Canada website homepage. It features the IPAC and PCI logos at the top. The main content area includes a 'Welcome to IPAC Canada' message, a 'Media Kit' button, and a 'News Headlines' section with several articles. A navigation menu is visible at the top of the page content.

Additional IPAC Resources: The Top Five

- 2. Public Health Ontario (PHO)**
 - www.publichealthontario.ca
 - Provincial Infectious Diseases Advisory Committee (PIDAC)
 - IPAC Best Practices
 - Regional Infection Control Networks (RICN)
 - Educational Tools, rapid information network
